THE PRINCIPAL  
ASSEMBLY OF GOD LEUNG SING TAK PRIMARY SCHOOL  
2 MAN KUK LANE, TSEUNG KWAN O, NEW TERRITORIES

Dear Ms. Cheung,

We wish in the first place your school very great success and good luck and your pupils flying colours.

With intense delight I would like to let you know that your school leavers, in 2005 obtained flying colours in HKCEE in 2010. The details are as follows:

<u>Name</u>	<u>HKCEE</u>	<u>Chinese</u>
	<u>points</u>	<u>Language</u>
WONG SIU TUNG (黃少東)	24	
SUN CHUN HO (辛俊豪)	20	
MA CHEUK MAN (馬卓文)	21	5*
CHEUNG YU FEI (張羽妃)	25	5*

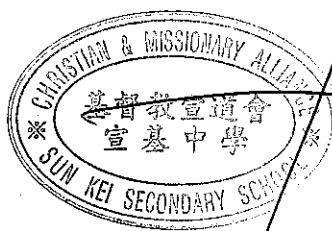

Above students' remarkable results in fact were the outcome of what they received in primary years because your teachers did their best to cultivate them, providing a solid foundation for their future.

With only 12 years of history since establishment, our school has already shown continuous improvement and breakthroughs in public exams. I would also like to share the flying colours of the HKCEE results of their schoolmates. Among all the candidates, two outstanding students attained 6As 2Bs and are expecting an early privilege of a good university education through the early admission scheme. The two students are from both arts and science streams. This achievement indicates a success in the enhancement and enrichment programmes, and it is certainly a tribute to the hard work of students, teachers and parents. We succeed in

providing students with a great foundation for their future excellence and with various opportunities for them to shine.

Based on the outstanding results, our school will definitely seek improvement in our students through creative and innovative teaching methods so as to prepare the next generation for further work and studies. We are also grateful for your continuous support and encouragement all through the years.

Yours sincerely,

Ms. Poon Suk Han, Halina
